Dear Rabbi Davidson and Friends at
Congregation Emanu-El:

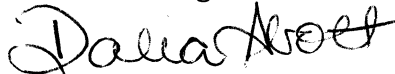

On behalf of everyone at Project Ezra, I thank you and everyone else at Congregation Emanu-El for the lovely and loving Thanksgiving dinner that you hosted for our elders—and the huge amount of Thanksgiving food that each elder took home.

What a wonderful way for our people to celebrate Thanksgiving! They so enjoyed being with your congregants, eating the delicious meal, and going home filled with the warmth of the gathering. Thanksgiving can sometimes be a lonely holiday, especially for those without family nearby, and your generosity and enveloping friendship alleviated the loneliness that some may have otherwise felt.

We at Project Ezra are immensely appreciative of everything that Congregation Emanu-El has done and continues to do for our elders on the Lower East Side.

I wish all of you a joyful Chanukah!

Warmest regards,

Dalia Abott
