Manhattan Bridges High School
525 W 50th St, New York, NY 10019

On behalf of the two groups from Manhattan Bridges High School, we would like to express our gratitude for being given the opportunity to participate in Project Prom. We'd like to give a huge "thank you" to everyone from Temple Emanu-El that took part of the campaign. Most of us, like many teenage girls, have been dreaming about our high school prom since we were little girls. Coming from low-income families, not all of us have the money to get a really nice dress, or to get a dress at all. So, we are more than thankful for everyone that contributed in fulfilling that dream for us. We would like to thank the group of women that assisted us in finding everything we needed. Thank you all for being so helpful and kind to us! We hope that many more young women are given this same amazing opportunity and that the kindness continues being spread. We are all inspired by the objective of the campaign, which was to help others that don't have the same opportunities that you do. Once again, thank you very much! We will definitely send back pictures from our prom to show you all what you formed a part of. Below are the signatures of all the girls that truly appreciate your generosity:
