Temple Emanu-El  
Attn.: Mrs. Lynda DeLott  
1 East 65th Street  
New York, NY 10065

Dear Mrs. DeLott,

Thank you so much for your generous donation of 36 diaper bags and various baby products to the Mount Sinai Adolescent Health Center in support of the Teen Parent Program. Your gift helped make our Teen Parent Holiday Party a great success. We distributed 25 bags to teen parents who attended the party, and sent the remaining 11 to teen parents at our school-based health centers. Most importantly, your contribution directly impacts the lives of teens most in need.

For 47 years, the Mount Sinai Adolescent Health Center has provided free and comprehensive health care, primarily to under-served and uninsured young people in New York City and beyond. Today, the Center is the largest freestanding facility of its kind in the world, and a role model in the industry. Funds raised allow us to continue our existing services as we enhance and expand the programs we offer, while also increasing the number of youth we serve. Your generous donation will enable us to continue our vital work of making a positive impact on our vulnerable youth, enabling them to grow into healthy, responsible and capable adults.

Your support is a priceless contribution toward our goal of improving the lives of the adolescents we serve. We thank you deeply for your commendable investment in the health and prosperity of our young people.

Warm regards,

Teen Parent Program  
Mount Sinai Adolescent Health Center
