Dear Susan,

I really cannot thank you enough for your efforts on behalf of the Holocaust survivors served by Selfhelp.

We have been delivering the Shabbat kits and Chanukah packages to our clients and have received incredibly positive feedback. Not only are these lovely gifts beautiful and practical, but they truly make the recipients feel cared for and loved. It is especially meaningful for them to know that they were created by the congregants at Temple Emanu-El. They all send their deepest thanks and appreciation.

I send you my very best wishes for a wonderful and joyous Chanukah and I look forward to meeting you in the New Year.

Many thanks again.

Sincerely,

Adeena Horowitz, LMSW
