Of the City of New York  
One East Sixty-Fifth Street  
New York, NY 10065

Dear Rabbi Ehrlich and Susanne:

On behalf of the patients and caregivers served by Hope Lodge NYC, I wish to acknowledge a very generous donation of retail gift cards and Metro cards made by the congregants of CONGREGATION EMANU-EL of the City of New York.

These donations are being used to ease their burden while they are away from home and receiving treatment here in NYC.

Please know that your generosity is deeply appreciated by our guests.

With best wishes for a peaceful and healthy New Year!

Sincerely,

A handwritten signature in blue ink, appearing to read "Karen R.", written over a horizontal line.

*With our  
deepest gratitude!*
