

## NEWS FROM THE ARCHIVES

Our library is named for him, and a magnificent Tiffany Studios stained-glass window in Greenwald Hall is dedicated in his memory. But who was Ivan Marcus Stettenheim? Temple members now have the opportunity to learn more about the youth, who died tragically at age 17½ on January 14, 1909, from pneumonia.

Volunteers from the Archives Committee of Temple Emanu-El have catalogued a collection of autobiographical and biographical materials about Stettenheim, including his travel journals, scrapbook, school accounting ledger, formal photograph and eulogy.

“It truly humanized the young man,” says Reva Kirschberg, chairwoman of the Archives Committee.
