

Eyes Mask

Materials needed: scissors, crayons or markers, string or rubber bands

*Extras: glitter, glue, glitter pen, feathers, sequins, anything decorative that can be glued on to your mask

1. Color your mask with marker or crayons. You can add glitter, feathers, sequins, etc. for extra fun!
2. Cut out the mask. Be sure to cut out the eyeholes.
3. Punch holes where indicated by circles on the sides.
4. Insert string through the holes and tie around your head OR insert rubber bands through the holes and loop over your ears.
