

Haman's 3 pointed hat!

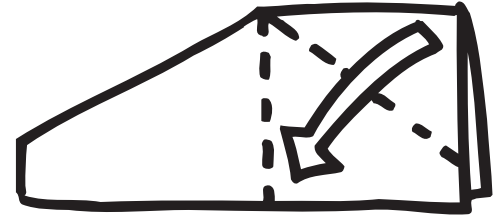

You'll need a full sheet of newspaper or colored craft paper and some tape to make this hat. Try using the Sunday funnies or decorating your hat with stickers and paint.

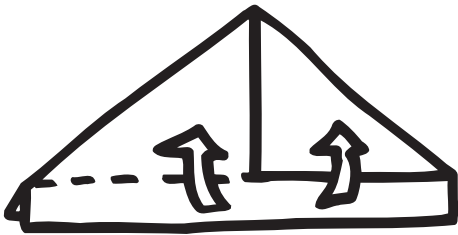

1. Fold and unfold the paper to mark the center.

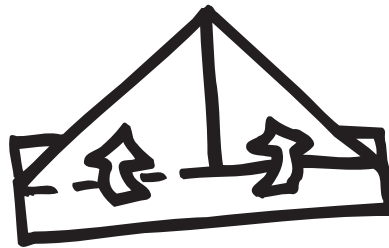

2. Fold the corner to the center line.

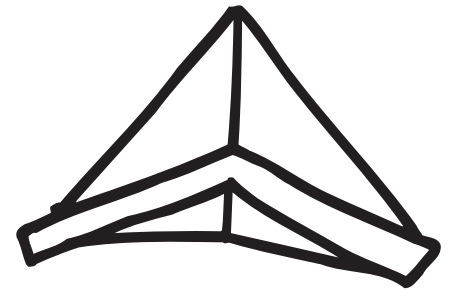

3. Turn over and repeat on the other side.

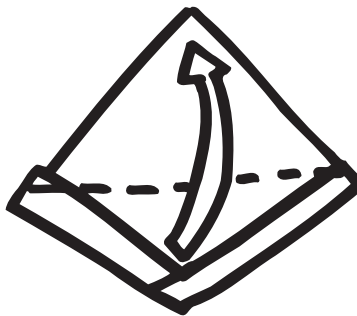

4. Fold up flap (top sheet of paper only)

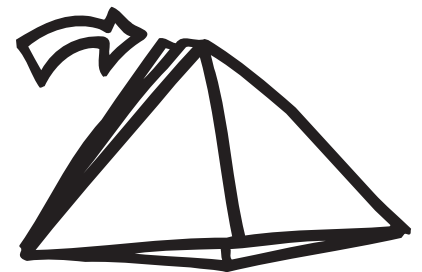

5. Turn over and repeat.

6. Bring left and right corners together and flatten into a square.

7. Fold bottom corner (one sheet only) to top corner, turn over and repeat.

8. Tape the top point to keep the hat together.
